BADEN ANNOUNCES CHANGES TO BOARD OF DIRECTORS

Calgary, Alberta – Baden Technologies Inc. (“Baden”), is pleased to announce several changes to its board of directors.

Effective August 27, 2008, Baden is pleased to announce the appointment of Mr. Bob Spiller as a new director of the board (subject to the approval of the TSX Venture Exchange). Mr. Spiller has been the President of Pioneer Professional Services Group, a land and environmental business consulting company in the energy industry, since September 2000. Prior thereto, Mr. Spiller was a Land Manager of Pioneer Land Services Ltd. from November 1997 until September 2000 when he became President. Mr. Spiller has a Bachelor of Science (Agriculture) from the University of Alberta.

Baden is also pleased to announce the appointment of Mr. Doug Keller as a new director of Baden, effective September 2, 2008 (subject to the approval of the TSX Venture Exchange). Mr. Keller is the General Manager and Treasurer of Control Innovations Inc., a privately held corporation, operating since March 2000, which manufactures instrumentation and controls used primarily in the drilling and well servicing sector of the oil and gas industry. Mr. Keller has a diploma in Electronics Engineering Technology with more than 25 years experience in instrumentation and controls for the oil and gas drilling, well servicing and pipeline construction industries.

Baden would also like to announce the resignation of Gerald Olson as a director effective July 18, 2008.

Through its wholly owned subsidiary FSI International Services Ltd., Baden Technologies Inc. is a Calgary-based manufacturing and service company specializing in customized filtration, filtration-related technologies and Brine Plants for the international and domestic energy and chemical industries.
